

**Position:** Scriptwriter and/or content developer

**Location:** Buenos Aires, Argentina

**Contract:** Fixed-term, part time at 15 hours per week for 8 weeks

**Salary:** National Living Wage (500 pounds/month)

**Application deadline:** 31st August 2022

### **The Role**

Planta Alta are empowering the scriptwriting and storytelling skills in the natural history production industry in Argentina. We're looking for scriptwriters, content developers or biologists/naturalists/educators with interest and/or experience (not mandatory) in wildlife, nature or science storytelling.

### **Main Responsibilities**

- Attend and participate in scriptwriting and creative meetings with the Planta Alta team, both online and at the Planta Alta offices in Buenos Aires.
- Attend and participate in content meetings with researchers, scientific advisors and specialists.
- Research specific nature/wildlife topics and work on them with the creative team.
- Transform scientific contents into creative, storytelling ideas as well as useful briefs for scriptwriting.
- Produce scripts on specific subjects to be defined with the team.

### **Applicant Requirements**

- Scriptwriting experience (however little) preferred but not required. Please note that past experience must not have been within Natural History Film and TV.
- An interest in media and/or wildlife filmmaking and conservation is essential.
- Must be interested in content development and scriptwriting for nature programmes, series and movies.
- Research skills and ability to bring a fresh perspective of science, nature and storytelling.
- Willing to break the traditions in wildlife documentaries.
- Roots within the natural world and scientific research preferred.
- Creativity is essential.

- Computer literate – good working knowledge of Microsoft Office and Excel.
- Strong organization and administration skills, with the ability to prioritize, multitask and meet deadlines.
- Great attention to detail.
- Good interpersonal and communication skills.
- A good team player, who can take direction but also work well independently using own initiative
- Fluency in English preferable but not required.

#### **What we can offer**

- Experience in researching, scripwriting and production. Working as part of a team and assisting in several ongoing projects.
- Access to scripwriting and creative development sessions.
- Build your industry network, connecting and working closely with researchers, biologists and conservationists
- A workplace buddy from within Planta Alta to guide and support you throughout the internship
- 2 hours of mentoring with member of Planta Alta team
- Access to Planta Alta facilities in Buenos Aires.

#### **Candidate Eligibility**

- Candidates must be aged 18-25
- It will be considered preferable if candidates belong to one or more of the following underrepresented groups;
  - LGBTQIA+
  - From a low-socioeconomic background
  - Women
  - Living with a long term disability

The successful candidate will need to be able to access the Planta Alta offices in Palermo, Buenos Aires so candidates living in or near Buenos Aires City will be prioritized.
